Directorship

The official magazine for NACD members delivers the most compelling analysis, analytics, expert insights, and stories.

DEPARTMENTS
The roster of our magazine’s columns speaks to the many facets of the experience of being a director. Each issue features columns that advance the knowledge of directors whether they serve on nonprofit, private, or public company boards. They include “The Director’s Chair,” an essay for directors by a director; “Director’s Dilemma,” which offers a specific governance scenario that is broken down by three directors and governance professionals who offer solutions; and “Verbatim,” an in-depth interview with a seasoned director or business leader.

FEATURES
Magazine features provide in-depth explorations of those topics at the forefront of today’s directors’ minds. Recurring themes include leadership; innovation; the impact of technology; talent management; and the social, business, geopolitical, and emerging risks most likely to impact boardrooms.

BOARDROOM GUIDES
These feature-length editorial packages provide in-depth explorations of some of the thorniest issues facing directors today, such as understanding the business implications of blockchain, navigating the complicated world of stakeholder communications, or deciding how to approach CEO succession and compensation.

SPECIAL SUPPLEMENTS
The magazine offers special supplements that focus on specific issues impacting directors today. Supplements in the past have been delivered in print or in digital-only format. A topic-focused supplement can help educate directors in a more in-depth and targeted way on specific subjects that are important to boards. In the past, popular supplements have focused on risk oversight and diversity.
