

# 2023

## EVENTS & PROGRAM CALENDAR

Each year, NACD delivers hundreds of programs nationwide that more than 23,000 directors rely on to help them prepare for future challenges. Below, you'll find a list of world-class programming opportunities for the upcoming year, including education tracks that guide you along a learning path focused on a topic of pressing interest to your board. Visit our [events webpage](#) frequently; new roundtables, chapter events, and webinars will be added monthly.

▶ **Early Bird discounts:** NACD now offers an early bird discount for all paid in-person events. Events marked with an (\*) are eligible to save \$800. Visit event webpages for more details.

**Group discount:** If 5 or more people from your board register for the 2023 Summit, you will receive a 20% discount. For Summit only, you may combine these savings with the early bird discount.

## Continue your governance learning on your own time.

Check out our [on-demand courses](#). NACD's virtual learning programs offer convenient and comprehensive director education programming for current and aspiring boardroom leaders. We offer a variety of virtual programs designed to fit different learning goals, schedules, and interests.

**Virtual Director Professionalism®** - This program is a foundation course in boardroom fundamentals. Directors and governance professionals looking to position themselves for future board seats will gain knowledge on the leading practices for boardroom effectiveness in today's dynamic corporate governance environment.

**Cyber-Risk Oversight Certificate Course** - This course will enhance your understanding of the cybersecurity threat landscape, detail the respective responsibilities of the board and management in cyber-risk oversight, and lead you through a cyber crisis simulation to evaluate your organization's preparedness. The certificate is issued by the CERT Division of the Software Engineering Institute at Carnegie Mellon University.

**Directorship Essentials** - This dynamic and interactive e-learning series takes a deeper dive into core governance topics. Courses are available for "Compliance and Ethics" and "Risk Oversight".

**Director Proficiency: Financial Oversight** - This course helps you to attain, or maintain, that basic literacy in finance and financial statements.

**Art of Directorship** - This highly engaging and interactive e-learning series is designed to explore the intricacies of the boardroom and board leadership by focusing on critical governance topics. Courses are available for "CEO Succession," "Strategy and Long-Term Value Creation," and "Adaptive Governance".
